

Winter meeting 2024

Norsk Selskap for Farmakologi og Toksikologi

Thursday 25 January 2024	
13:00 - 14:30	Lunch
14:30	<p>Welcome by NSFTs chair <i>Maria Thérèse Hultman</i> Besseggen 1+2</p>
<p>Plenary session Advanced in vitro models: Opportunities in toxicological and pharmacological research – Chair: Besseggen 1+2</p>	
14:40	<p>Title TBA Speaker: Stefan Johannes Karl Krauss Professor, Director HTH Centre Excellence; University of Oslo</p>
15:10	<p>Title TBA Speaker: Joel Clinton Glover Professor; Dept of Molecular Medicine, Institute of Basic Medical Science, University of Oslo</p>
<p>Break Awards for the best scientific papers of the year Plenary symposium Chair: (BCPT sponsored)</p>	
16:00 - 16:20	Scientific paper of the year in pharmacology:
16:20 - 16:40	Scientific paper of the year in toxicology:
Kaffe	
<p>AOP Ecotox session Chair:</p>	
17:10	<p>Title TBA Speaker Knut Erik Tollefsen Chief Scientist, professor II; The Norwegian Institute for Water Research (NIVA)</p>
17:35	<p>Title TBA - AOP, PARC Speaker Anders Goksøyr Professor; University of Bergen</p>
<p>Drug-induced metabolic disorders Chair:</p>	
	<p>Title: TBA Speaker Peter McCourt, The Arctic University of Norway, Tromsø</p>
	<p>Title GLP-1 analogues Speaker TBA</p>
19:30	Gathering in the bar
20:00	Dinner

Friday 26 January 2024			
12:30 - 14:00	Lunch		
<p>Plenary session - the Poulsson award Chair: Besseggen 1+2</p>			
14:00	<p>Awardee introduction by NSFTs chair <i>Maria Thérèse Hultman</i></p>		
14:15	<p>Title, TBA Awardee</p>		
Coffee break			
Short presentations based on submitted abstracts			
15:30	<table border="1"> <tr> <td>Toxicology</td> <td>Pharmacology</td> </tr> </table>	Toxicology	Pharmacology
Toxicology	Pharmacology		
Pause			
17:00	<table border="1"> <tr> <td>Toxicology</td> <td>Pharmacology</td> </tr> </table>	Toxicology	Pharmacology
Toxicology	Pharmacology		
<p>Poster session <i>Jason Matthews (UIO) + ? vurderer postere</i></p>			
18:00	<table border="1"> <tr> <td>Toxicology</td> <td>Pharmacology</td> </tr> </table>	Toxicology	Pharmacology
Toxicology	Pharmacology		
20:00	Dinner		
22:00	<p>Quiz Besseggen 1</p>		

Saturday 27 January 2024		
NSFT General assembly and annual meetings		
09:00 - 09:30	<p>Annual meeting Section for toxicology Besseggen -</p>	<p>Annual meeting Section for pharmacology Besseggen -</p>
09:30 - 10:30	<p>General assembly The Norwegian Society for Pharmacology and Toxicology Besseggen 1+2</p>	
12:30 - 14:00	Lunch	
<p>The Beito Lecture 2024 BCPT sponsored Artificial intelligence in science – pharmacology and toxicology Besseggen 1+2</p>		
14:00 - 14:45	<p>Title TBA Speaker: Karine Audouze Professor in Systems biology and Bioinformatics; Université de Paris Cité, France</p>	
Coffee break		
<p>Nordic symposium Endocrine disruption BCPT sponsored Besseggen 1+2</p>		
15:00 - 15:35	<p>Title TBA - Speaker: Anna Beronius Researcher and associate professor; Institute of Environmental Medicine, Karolinska Institutet, Sweden</p>	
15:35 - 16:10	<p>Title TBA - Speaker: Terje Svingen Professor; Research Group for Molecular and Reproductive Toxicology, Technical University of Denmark</p>	
Pause		
<p>Per- and polyfluoroalkyl substances (PFAS) chair:</p>		<p>Antimicrobial resistance (AMR) chair:</p>
16:40	<p>Title TBA Speaker: Hanne Friis Berntsen Senior scientist; National Inst Occ Health</p>	<p>Title TBA Speaker TBA</p>
	<p><i>The universal PFAS restriction (10' pre-recorded)</i> Audun Heggelund Senior Chemicals Advisor; Norwegian Environment Agency, Oslo</p>	
17:05	<p>Title TBA Speaker Randi Grønnestad Advisor; Trondheim</p>	<p>Title TBA Speaker TBA</p>
20:00	Dinner
